

THE (MOSTLY)

Underground Art OF THE NYC Subway

SVA's Division of Continuing Education is proud to present our community with its third public art map! For NYC locals and tourists alike: please take a tour through one of the most prolific public art projects, with pieces displayed in the heart of our city in the subway system. We encourage you to take this curated map and discover some of the most incredible artworks that line the backgrounds of New Yorkers' commutes.
